Miss Livingstone,

Queen's Hall, University of Toronto.

Dear Miss Livingstone:

At the meeting of the Board of Governors yesterday a revote of \$500 was made for the material for Queen's Hall.

Your recommendation also was adopted with regard to the non-re-appointment of Miss Cartwright, and Miss Prangley has been appointed to take her place. Will you kindly inform Miss Cartwright of the action of the Board of Governors, and also let Miss Prangley know that you will expect her to come on duty at the middle of the month?

After full consideration of your proposal to take on another house for the accommodation of women students at Queen's Hall the Board felt that the outlay which would be immediately involved did not justify them in approving ~~than in approving~~ of the proposal at present. I think, however, that if you find after a winter's experience that there will be a sufficient demand and that we can get permanent quarters at a reasonable rate the Board will be willing to make the addition.

With kind regards, I am,

Yours sincerely,

President.

Sept. 8<sup>th</sup> 1915-

Dear Dr. Haldane -

I was

informed a few weeks ago that five hundred dollars was set aside last Spring for necessary expenses at Queen's Hall. The

time however has elapsed

experience would be suitable. This kind and this Policy have both recommended very highly this Pringle who has been associated with this Policy in her work. This Policy says she would be most successful. This Pringle is ready to accept the position. With many thanks

Sincerely yours  
Howard Livingston

and as we very greatly  
require the money, would  
for very kindly consider  
having it set aside for  
us again.

Our blinds are quite worn-  
out, the linen must be  
replaced, a number of  
rugs are quite beyond repair,  
curtains are in the same  
condition, and we must

add to our supply of  
dishes and cutlery.  
Another matter that I wish  
to mention is that I regret  
very much that I considered  
Miss Cartwright quite  
incapable of filling  
successfully the position  
of housekeeper here.  
Only some person with  
the correct training and

Dear Dr. Falemon -

I received

your note on Saturday  
morning and wish to  
thank you very much  
for arranging that the

Five Hundred Dollars  
should be voted for us  
again.

I let Miss Cartwright  
know at once that the  
Board of Overseers had  
not re-appointed her  
and I sent word to  
Miss Pringle that

her work would begin on  
the fifteenth of this  
month.

I quite understand the  
feeling of the gentlemen  
on the Board in regard  
to having a parish house  
this year.

Very Sincerely Yours  
Louise Livingston.

President Talbot,

Dear Sir -

It will not be

necessary to recapitulate  
this Faculty for next  
year's work here as  
she feels that her health  
is not in good condition.

And the work would be too  
much for her. She is at  
present undergoing a tumor  
operation at the Wellesley  
Hospital but she expects  
to be well enough to return  
in about two weeks to  
finish her year here.  
I cannot as yet say whom  
it would be advisable to

approach because it will  
take a little time to find  
who would be quite suitable  
for the position.

Sincerely yours

Louise Livingstone.

President Falewell -

Dear Dr. Falewell & Sonora

Miss, Doctor

of Milton will I think

fill very sweetfully

the position of assistant

at Queen's Hall. She

has had the two years'

course at Wardwood Institute

as Housekeeper and Dietitian.  
Her experience since has  
been at Johns Hopkins and  
The Bishop Strachan School.

Personally she seems very  
suitable and will I think  
be very successful.

She is willing to accept the  
position which is very  
fortunate as there is such  
a demand for dietitians that  
they are all engaged.  
Sincerely yours  
H. W. Livingstone.

Miss Livingstone,

Queen's Hall.

Dear Miss Livingstone:

I am glad that you have secured a lady who you think will fill the position of Housekeeper of Queen's Hall. I will have the nomination sent in to the Board, and I have no doubt but that they will make the appointment at the next meeting.

Hoping that you will have a pleasant summer,

I am,

Yours sincerely,

President.
